The International Relations Office will send the following documents to the student.:

- A certificate of attendance
- A transcript of records with the courses taken and the grades obtained. A description of the local grading system will be enclosed.

If the student has taken any Spanish or Catalan courses, he/she should ask the organising department for a certificate. *Departamento de Filología Clásica, Hispánica y Francesa* (for Spanish language course) and the *Servei de Llengua i Terminologia* (for Catalan language courses). If the student left before the language certificates are ready, the International Relations Office would send the certificate to the student.
