Inici de la [5a trobada plenària](https://fireurisk.eu/events/) [<https://fireurisk.eu/events/>] del projecte europeu [FirEUrisk](https://fireurisk.eu/) [<https://fireurisk.eu/>]:
From strategy to action: Towards better wildfire risk management.

The meeting will provide our project partners with the opportunity to **exchange information and assess the progress** towards better European wildfire management. The aim is to cover all relevant aspects of the FirEUrisk approach during the 3-day gathering and share valuable updates on our multi-perspective take on fire risk.
